An Evolution of Tradition

Rooted in the Legacy of Our Founder

In 1952, Kemmons Wilson had a vision to provide hassle-free hospitality that exceeded customers' expectations and called it Holiday Inn®. This vision grew to become the roadside home-away-from-home for millions of families and the most well-known hotel brand in the world.

Kemmons' commitment to these values transformed the hotel industry, which are still at the heart of everything we do. He took traditional vacationing to a higher level by inviting families to take ownership of their vacations. Orange Lake Resorts was born, which was later renamed Holiday Inn Club Vacations Incorporated. Today, it hosts more than 365,000 owners from around the world.

We offer more member benefits, choices and distinctive vacation experiences than ever before. Through our growing portfolio of member resorts and alliance with IHG® Hotels & Resorts, owners of the Holiday Inn® brand and one of the largest hospitality companies in the world, we offer you and your family many exciting vacation destinations to enjoy.

Two great companies are back together as one ultimate vacation experience: Holiday Inn Club Vacations®.

Understanding Your Membership

Now that you've learned the basics, the best way to get the most out of your membership is to understand what your Club Points are, what they do for you and how to make them go further.

Choosing When to Use Club Points

Need more Club Points to book your vacation? Save your Club Points for the next Use Year. Unused Club Points will automatically roll over, but will not change your membership level.

However, you cannot save Club Points for more than two consecutive Use Years. If you do not use your rolled-over Club Points in the second Use Year, they will expire on December 31 of that year.

To extend them further, you can take advantage of our Club Points Extension Program* to stop them from expiring.

EXAMPLE 1

Say you have an ownership with a value of 80,000 Club Points. If you save it for a vacation next year, you'll have 160,000 Club Points to use. If for some reason you don't use the rolled over (80,000) Club Points by December 31 of that year, they will expire unless extended.*

*Club rules apply. See page 174 for more information.

Making Club Points Go Further

Keep in mind that weekend reservations (Friday and Saturday) have higher demand and require more Club Points than mid-week reservations (Sunday through Thursday), which have lower demand. Smaller villas require fewer Club Points than larger ones. Seasons in higher demand require more Club Points than those in lower demand.

WAYS TO MAXIMIZE YOUR POINTS:

- Stay mid-week (Sun – Thurs)
- Reserve a smaller villa
- Vacation during the off-season

EXAMPLE

Let's say a full week's stay is worth 100,000 Club Points. This means a:

Mid-Week Night = 10,000 Club Points
10% of weekly rate

Weekend Night = 25,000 Club Points
25% of weekly rate

Weekend Trip vs. Mid-Week Trip

If you arrive on Friday and depart Sunday, it would require 50,000 Club Points
25,000 × 2 nights = 50,000 Club Points

MON	TUE	WED	THURS	FRI	SAT	SUN
				50,000 Club Points		

However, if you arrive on Tuesday and depart on Thursday, it would require only 20,000 Club Points
10,000 × 2 nights = 20,000 Club Points

MON	TUE	WED	THURS	FRI	SAT	SUN
	20,000 Club Points					

Planning Your Vacation

Request & Reserve Your Stay

Know Your Reservation Window

Now that you know what your Club Points can do for you, it's time to take action.

HOME ACCESS	RESORT ACCESS	OPEN ACCESS	ARRIVAL DATE
3 YEARS TO 13 MONTHS	13 TO 10 MONTHS	10 MONTHS TO 1 DAY	

Each reservation window provides a new opportunity to book your stay. **The most important thing to remember is to book as early as your reservation window allows!** This gives you the best opportunity to get the resort and vacation dates you want most.

Membership Tip!

Avoid worry and stress with POINTShield. You'll get back 100% of your Club Points if you need to change or cancel your reservation for ANY reason, as close as two days before your scheduled arrival. See page 26 for details.

On the following pages you will learn more about each and how to use them to get the most from your vacations. You may easily complete many of these transactions in the *Plan & Reserve Your Vacation* section of [🌐 holidayinclub.com](https://www.holidayinclub.com).

If you need more help, you can also talk to a Vacation Counselor at 📞 **(877) 606-CLUB** (2582) or direct at **(407) 905-1100**. From the United Kingdom, call 00-800-3338-8802.*

*The UK toll-free number may not work with all British carriers. If not supported, use the direct number above.

Home Access

Same place, same time

RESERVE FROM 3 YEARS TO 13 MONTHS PRIOR TO ARRIVAL DATE*
(1,095 to 396 days)

You fell in love with the resort where you purchased your Home Week. So your reservation is **guaranteed within the Home Access window**. You will not be competing with anyone else. This is one of the most flexible programs in the industry.

This window is for a 7-night stay in the villa you purchased. As a Home Week reservation, you can only use up to the total number of Club Points you have available through your ownership.

HOME ACCESS 3 YEARS TO 13 MONTHS	RESORT ACCESS 13 TO 10 MONTHS	OPEN ACCESS 10 MONTHS TO 1 DAY	ARRIVAL DATE
---	--	---	-------------------------

**Club rules apply. See page 174 for more information.*

Resort Access

Same place, different time

RESERVE FROM 13 TO 10 MONTHS PRIOR TO ARRIVAL DATE*
(395 to 304 days)

Use the Resort Access window to return to your home resort outside of your Home Week. This window is for 7-night stays only using standard resort check-in days (Friday, Saturday or Sunday).

Since you are returning to the same resort, you can only use up to the total number of Club Points you have available for usage rights at that specific resort/village. This includes any Club Points you may have used in the Home Access window.

HOME ACCESS 3 YEARS TO 13 MONTHS	RESORT ACCESS 13 TO 10 MONTHS	OPEN ACCESS 10 MONTHS TO 1 DAY	ARRIVAL DATE
--	--	--------------------------------------	-----------------

Remember: Other Club members who own at your resort/village will be booking during the same Resort Access window. So the sooner you know when you'd like to return, the better your chances of successfully getting your desired date.

EXAMPLE

Let's say you own a total of **250,000 Club Points** with Holiday Inn Club Vacations:

- Two-bedroom villa at Scottsdale Resort valued at 175,000 Club Points, and
- Two-bedroom Presidential villa at Holiday Hills Resort valued at 75,000 Club Points

When booking a reservation within the Resort Access window (13–10 months prior to check-in), you could only use up to 175,000 Club Points for a reservation at Scottsdale Resort or 75,000 Club Points at Holiday Hills Resort, regardless of the total Club Points you own for the resort. This includes any Club Points you may have already used for a Home Access reservation.

However, starting with the Open Access window (10 months to one day prior to check-in), you could use any number of your 250,000 Club Points for a reservation.

**Club rules apply. See page 174 for more information.*

Open Access

The flexibility to divide

RESERVE FROM 10 MONTHS TO 1 DAY PRIOR TO ARRIVAL DATE*

(303 days or less)

During the Open Access Period, you can make reservations at any member resort. Can't get away for a full week's vacation? Divide your Club Points to stay at any member resorts for shorter stays—with a minimum 2-night stay.*

Take a long weekend, attend a special sporting or cultural event or explore a new destination. This window is for conquering a multitude of vacation dreams.

Membership Tip!

During this reservation window you will be competing for space and time with all Holiday Inn Club members. Take advantage of this window as early as you can to get the best vacations— even during high demand and holiday weeks!

EXAMPLE

Let's say you own **192,000 Club Points**:

- You decide to go on a short fishing trip for a Tuesday through Friday reservation during the Diamond Season. You book it just as soon as you see the opening in your schedule—well within the 10-month Open Access window.
- For this stay, you'll need 57,600 Club Points.

You now have 134,400 Club Points in your account.

- You like the mid-week break idea when the resorts are usually a little quieter, so you decide on a golf trip to Orange Lake Resort's East Village in a two-bedroom villa during the Gold Season.
- This costs you just 39,900 Club Points.

You now have 94,500 Club Points left.

- Later in the year, you decide you'd like to spend a weekend during the Platinum Season at Lake Geneva Resort. You book a one-bedroom deluxe villa for a Friday check-in and Sunday check-out.
- This requires just 54,500 Club Points.

You've had three getaways this year and still have 40,000 Club Points remaining!

Next time you'll remember to use some of your Club Points to visit South Beach Resort in a one-bedroom villa during the Silver Season!

*Club rules apply. See page 174 for more information.

**Don't Miss This

Borrowing Club Points

Don't have enough Club Points to pull off that dream vacation this year? No problem. You can borrow from next year's allocation for Holiday Inn Club Vacations resort accommodations and our resort exchange affiliates.

You can deduct the number of Club Points you want to use in the current Use Year from the next Use Year. You simply pre-pay the estimated maintenance fees for the number of Club Points you borrow. Then you're ready to go! Your next annual maintenance fee statement will reflect this pre-payment.

EXAMPLE 1

Let's say you own a week in a two-bedroom villa during the Value/Bronze Season worth 100,000 Club Points, but would like to stay three extra nights in 2022. This will require an additional 30,000 Club Points.

You can borrow from your 2023 allocation. You will then have 70,000 Club Points remaining to use in 2023.* This transaction will be credited to your estimated 2023 maintenance and assessments.

THIS YEAR

130,000

Holiday Inn Club Points

NEXT YEAR

70,000

Holiday Inn Club Points

*Club rules apply. See page 174 for more information.

Renting Club Points

Sometimes you may find yourself short on Club Points. Or you want to book that special dream vacation and need just a bit more to make it happen. The good news is you can rent up to 50% of the Club Points you own. For more information, call your Vacation Counselor at ☎ (877) 606-CLUB (2582) or direct at (407) 905-1100. From the United Kingdom, call 00-800-3338-8802.*

EXAMPLE 1

Say you own 210,000 Club Points. You enjoyed a couple of shorter stays earlier in the year that used only 90,000 Club Points. This leaves you 120,000 Club Points.

But then you want to surprise your mom with a trip to join you and the kids at Scottsdale Resort during the holiday season. You'll need a larger, 3-bedroom villa and decide to go Thursday through Sunday, requiring 175,000 Club Points.

Since you can rent up to half of your annual Club Point allotment ($210,000 \div 2 = 105,000$ Club Points), you have more than enough to rent the extra 55,000 Club Points you need!

*The UK toll-free number may not work with all British carriers. If not supported, use the direct number above.

Giving Club Points

Do you have friends or family members you'd like to treat to a special vacation?

- Members can give 15 guest reservations each year before a guest certificate fee will apply.

Traveling with a Pet

Select resorts in the Holiday Inn Club network allow you to bring your pet with you on property for your visit. These locations are noted on the resort profiles in this book. For the safety and enjoyment of all guests, the following rules apply:

- A fee applies per pet brought onto property.

- You are fully responsible for the behavior and any damage caused by your pets.

Live the History *of America*

Colonial Williamsburg is the largest living history district of its kind in the country. Imagine dining in George Washington's favorite tavern or taking part in historic events reenacted by "residents" right on the streets.

The Williamsburg resort puts you only eight miles from the heart of it all with easy access to downtown and points of interest. This includes the 23-mile scenic parkway that links the Historic Triangle of Williamsburg, Jamestown and Yorktown. Plus, Busch Gardens® and Water Country USA® are nearby, and Richmond, Virginia, is only 45 minutes away. Best of all, the resort is tucked away in the quiet forested hills on the edge of town. With its colonial-inspired architecture and great family amenities, you'll feel the same sense of old-world charm.

Exchange Around the World

Your Club membership even gives you the option to exchange your Club Points for stays outside our resort network. Through our exchange affiliates, you have access to thousands of additional resorts worldwide. From Dublin to Dubai, Los Angeles to London, and everywhere in between, your choices are nearly endless!

Important!

Before you start planning your next exchange vacation, you must know your Exchange Affiliate and the benefits that apply to your membership. Members have access to RCI or Interval International based on the resort of your underlying ownership. Please see page 175 for resort affiliation chart.

RCI Affiliate

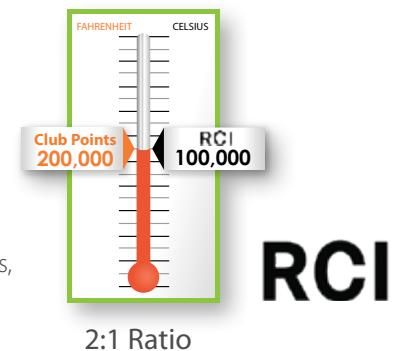

Your Club Points can get you a variety of accommodations at more than 4,200 RCI resorts in nearly 100 countries.*. And you never have to bank your Club Points with RCI. They stay in your Club account until you're ready to make a reservation.

REMEMBER!

Your Exchange Affiliate is determined by the Holiday Inn Club Vacations resort where you own. Please see page 175 for resort affiliation chart.

When making an RCI reservation, your Holiday Inn Club Points will be converted into RCI Points. Just think of the conversion like the difference between temperatures registered in Fahrenheit and Celsius.

The value is the same, but the expression of the value is different. Different numbers, yes, but they both feel the same to your skin.

Membership Tip!

Click on the "Go to RCI" button from the RCI section of *Club Partners & Programs* on holidayinnclub.com to be taken directly to a special RCI website. You'll find everything you need to make your RCI reservation using your Club Points. Plus, your Club account information will carry over, so there is no need to create a login for a new RCI account.

EXAMPLE

Let's say you own a one-bedroom deluxe villa in Diamond season with a Club Points value of 137,000. You want to go to Hawaii and stay in a similar-sized villa, but you want to be on Waikiki Beach in February.

The RCI points required is 48,500. With the conversion (2:1), you have 68,500 RCI Points. So, you really don't have to use all of your Club Points—just the amount required to complete your transaction, which is a total of 48,500 RCI Points. That leaves you with 40,000 Club Points (or 20,000 RCI Points) remaining in your account.

*RCI fees may apply. RCI is a separate company with its own terms and conditions.

RCI Weeks vs. RCI Points Resorts

You can choose to use your Holiday Inn Club Points for reservations at RCI Weeks-affiliated resorts and RCI Points®-affiliated resorts. Refer to your RCI Points Directory or go to **RCI.com** for a listing of resorts.

Click on the “Go to RCI” button from the RCI section of *Club Partners & Programs* on  **holidayinnclub.com** to be taken directly to a special RCI website to make your reservations.

For RCI Weeks-affiliated resorts:

- Reservations for seven-night stays only
- Can make reservations two years in advance of travel date

For RCI Points-affiliated resorts:

- Minimum required stay is one night
- Can make reservations up to 10 months before travel date

Turn Your RCI Week into Club Points

If you are a vacation owner at eligible RCI Weeks*-affiliated resorts and would like to turn those weeks into Holiday Inn Club Points, you can through the **GlobalChoice** program.

1. Deposit your current or future week with RCI at least 10 months prior to the start date of the week you're depositing.
2. Once you receive a SpaceBank™ Acknowledgement letter from RCI, call a Holiday Inn Club Vacation Counselor at  **(877) 606-CLUB** or direct at **(407) 905-1100** no later than 14 days prior to the start date of your deposited week to request Holiday Inn Club Points for your deposited week. From the United Kingdom, call 00-800-3338-8802.**
3. Pay a \$75 fee for each week you deposit into Holiday Inn Club.
4. The number of Holiday Inn Club Points allocated to your Club membership will be determined by the RCI deposit trading power credit associated with your timeshare interest.

REMEMBER!

Your Exchange Affiliate is determined by the Holiday Inn Club Vacations resort where you own. See page 175 to confirm your exchange affiliation.

*RCI Points (points-based resort weeks) or other clubs are not eligible to participate in the GlobalChoice program. This program is managed in conjunction with RCI and may be subject to change by RCI. Eligibility of individual resorts is subject to change. GlobalChoice Points do not change your membership level in Holiday Inn Club.

Member Rewards Program

Williamsburg Resort

Member Rewards Program TERMS AND CONDITIONS

Members and referrals who reside outside of the United States or are residents of Alaska, Hawaii, and Idaho are not eligible to participate in the Holiday Inn Club® Member Rewards Program.

The Holiday Inn Club® Member Rewards Program has been designed to help Holiday Inn Club® Members introduce their friends, family, neighbors, business associates and social acquaintances to the exciting vacation lifestyle with Holiday Inn Club Vacations®. Qualified referrals can visit select Holiday Inn Club Vacations Resorts by taking advantage of one of Holiday Inn Club Vacations Resorts' specially priced referral packages. Best of all, by participating in our Holiday Inn Club® Member Rewards Program, Holiday Inn Club® Members will benefit by sharing their vacation resort with friends and neighbors!

The purchase of a timeshare interest should be based upon personal use and enjoyment, and should not be considered for investment purposes or with an expectation of receiving any tax benefit, rental income, or profit from the resale of the timeshare interest. The market for resale of timeshare interests is poorly established. The Holiday Inn Club® Member acknowledges that the Holiday Inn Club® Member Rewards Program was presented to him or her after they decided to purchase a unit or unit week.

The following terms and conditions contain important information regarding the **Holiday Inn Club® Member Rewards Program** ("Member Rewards Program"). Please review this information carefully.

Holiday Inn Club® Member Participation/Eligibility:

Participation in the Member Rewards Program is limited to individuals who purchased timeshare interests from Holiday Inn Club Vacations Incorporated, or through one of its affiliated companies ("Holiday Inn Club Vacations Incorporated").

Holiday Inn Club® Members who participate in the Member Rewards Program will be provided one account in the Member Rewards Program, even if the Holiday Inn Club® Member maintains more than one timeshare interest at a Holiday Inn Club Vacations® Resort.

Member Rewards Program accounts cannot be used or accessed by multiple persons, and Holiday Inn Club® Members cannot combine Member Rewards Program accounts from separate accounts.

Each Holiday Inn Club® Member agrees to provide true and accurate information to enroll and participate in the Member Rewards Program. The Holiday Inn Club® Member agrees to update his or her personal information in a timely manner to ensure that Holiday Inn Club® Member information provided in connection with the Member Rewards Program is at all times up-to-date and accurate. Holiday Inn Club® Members may update their personal information by calling the Member Rewards Program department at **(800) 704-4376**, via e-mail at **referrals@holidayinnclub.com**, or via US mail to the Owner Referral Department at 9271 South John Young Parkway, Orlando, Florida 32819. Each Holiday Inn Club® Member agrees that he or she will not engage in any activities inconsistent with this Agreement, including but not limited to, owning multiple Member Rewards Program accounts, committing any fraudulent activity, or tampering with the Member Rewards Program materials in any way. Holiday Inn Club Vacations Incorporated will make all final decisions in cases of suspected abuse, fraud, or any other violation of the Member Rewards Program's terms and conditions. Any and all decisions made are final and binding.

Holiday Inn Club Vacations Incorporated reserves the right to disqualify any Holiday Inn Club® Member from participating in the Member Rewards Program and to refuse payment of rewards if, in its sole judgment, such Holiday Inn Club® Member is not in good standing or if Holiday Inn Club® Member, or any other person using the Holiday Inn Club® Member's account, violates any of the terms or conditions of the Member Rewards Program, including, without limitation, engaging in fraud or other abuse.

Current and former employees, including their associates or their family members, of Holiday Inn Club Vacations Incorporated, Silverleaf Resorts, LLC, or their affiliated companies, RCI, InterContinental Hotel Group, and their parent companies or subsidiaries may not participate in the Member Rewards Program.

Registration of Referrals:

In order to be eligible for a referral reward, Holiday Inn Club® Member referrals must be registered through the Member Rewards Program prior to attending the 2-hour sales presentation.

In the event that two Holiday Inn Club® Members and/or non-Holiday Inn Club® Members who own a timeshare interest at a Holiday Inn Club Vacations® Resort submit an identical referral name, only one Holiday Inn Club® Member or Non-Holiday Inn Club® Member owner will be eligible to receive a referral reward as determined by the referral.

Holiday Inn Club® Members may not refer other Holiday Inn Club® Members, or Non-Holiday Inn Club® Members, or owners of a timeshare interest in a Silverleaf Resort.

Member Rewards Program

Referral Qualifications and Attendance at the Sales Presentation:

Member may only have one (1) referral guest on a resort property at any given time. Group bookings and tours are prohibited. Please refer to the complete Details of Participation disclosed on each referral invitation.

Referral guests are required to attend a two-hour sales presentation on the Holiday Inn Club Vacations® ownership features, accommodations and amenities.

Reward Eligibility and Payment for Holiday Inn Club® Member:

Every time a registered referral purchases a timeshare interest in a Holiday Inn Club Vacations Resort located in Arizona, Florida, Illinois, Louisiana, Nevada, South Carolina or Virginia, Holiday Inn Club Vacations Incorporated will give the referring Holiday Inn Club® Member one reward credit. The reward associated with each reward credit will increase based on the number of referrals who purchase.

The following chart indicates the reward paid for each purchase accumulated from one through 20 in any calendar year.

- Any owner who, in one calendar year, generates 01 to 02 referrals who buy a timeshare interest in a Holiday Inn Club Vacations Resort located in Arizona, Florida, Illinois, Louisiana, Nevada, South Carolina, or Virginia gets 65,000 Holiday Inn Club® Bonus Points on each sale.
- Any owner who, in one calendar year, generates 03 to 04 referrals who buy a timeshare interest in a Holiday Inn Club Vacations Resort located in Arizona, Florida, Illinois, Louisiana, Nevada, South Carolina, or Virginia gets 130,000 Holiday Inn Club® Bonus Points on each sale.
- Any owner who, in one calendar year, generates 05 to 20 referrals who buy a timeshare interest in a Holiday Inn Club Vacations Resort located in Arizona, Florida, Illinois, Louisiana, Nevada, South Carolina, or Virginia gets 260,000 Holiday Inn Club® Bonus Points on each sale.

Member Rewards Program:

Holiday Inn Club® Members will receive one reward credit for each registered referral that purchases a timeshare interest. In order for the referring Holiday Inn Club® Member to receive a reward credit, the registered referrals must meet all financial obligations for ownership and have maintained ownership for 120 days. Holiday Inn Club® Members accumulate reward credits over their entire period of membership or through the length of this Member Rewards Program, but may not receive more than 20 reward credits during a single calendar year. In the event a participant terminates his or her membership, the reward credit balance in the Member Rewards Program is forfeited. In order to be eligible for a referral reward, **the referral must purchase a timeshare interest during the two-hour timeshare sales presentation associated with the referral's registration in the Member Rewards Program.** If the referral purchases a timeshare interest at a later date, the referring Holiday Inn Club® Member is not eligible for the reward credit. If the referral purchases a Latitudes program, the referring Holiday Inn Club® Member will not be eligible for a reward credit. If a Holiday Inn Club® Member is listed as the co-owner in the referral purchase, the referring Holiday Inn Club® Member is not eligible for the reward credit.

Referral rewards are only granted based on timeshare interests purchased from Holiday Inn Club Vacations Incorporated, or its affiliates, in the Holiday Inn Club Vacations® Resorts located in the states listed above. Purchases made under resale or in conjunction with any other marketing programs are not eligible for a reward credit under this referral program.

Holiday Inn Club® Bonus Points can be applied toward the Holiday Inn Club® Member's Holiday Inn Club Vacations® Maintenance assessment account in increments of \$250.00. For each \$250.00 credit towards the maintenance assessment account balance, the Holiday Inn Club® Member is required to redeem 65,000 Holiday Inn Club® Bonus Points.

The referring Holiday Inn Club® Member must be current on their mortgage payments, member fees, maintenance assessments, and real estate tax assessments in order to be eligible to receive a reward credit.

Reward credits are not transferable to any other Holiday Inn Club® Member at any time, including upon Holiday Inn Club® Member's death or by operation of law, nor is a Holiday Inn Club® Member's account or right to participate in the Member Rewards Program transferable. A Holiday Inn Club® Member may not trade or sell any credits earned.

Holiday Inn Club® Bonus Points:

Holiday Inn Club® Bonus Points expire 12 months from the time points are applied to a Holiday Inn Club® Member's account. Holiday Inn Club® Bonus Points are non-recurring and may only be applied to the current or next year. Holiday Inn Club® Bonus Points do not have any independent monetary value. Use and expiration of Holiday Inn Club® Bonus Points are subject to the terms and conditions of the Holiday Inn Club® Exchange Program Disclosure Guide and Holiday Inn Club® Exchange Program Membership Agreement. Use of Holiday Inn Club® Bonus Points is subject to availability at the time of booking. Terms and Conditions of Holiday Inn Club® Bonus Points are subject to change by GlobalAccess Exchange, LLC in its sole discretion.

Special Promotions:

Special promotions may be held periodically to reward Holiday Inn Club® Members and their referrals. Holiday Inn Club® Members may be eligible for entry into a special promotion, based upon the terms and conditions of each special promotion. Any special promotion offered by Holiday Inn Club Vacations Incorporated may vary.
